

Pocketed

knew a fetus once for awhile, knew its beginning, knew its end. Saw it off with salt and swallow. pocketed an option, or a believing in exchange for

a pocket knows collecting

knows odes without praise first, praise without beliefs first. not in gestures, not in words

had a baby named her everything. found an ode filled up in needing. had a baby learned to organize, to hold a war in. need an ode to make a pocket for, sew up holes for

a hole is where things fall from

no ode without a goal first, no score without a match first. not in forgiveness, not in regrets

had dark dreams to follow through with, dark days and dark places to be right in. stood and up naked. set and naked. danced and read and naked. can't quite believe that naked now

not all things fit into pockets

found a fetus: built-in pockets. got a needle sewed some stuff up. sewed closed pockets sewed closed places. found a last faith to give pocket

sew more pockets: need more found. need more odes to
